

SCHOOLS PROVISION

Our outdoor and adventurous activities are planned for progressive learning for all ability levels and experience

- Kayaking
- Canoeing
- Sailing
- Bell Boating

Types of session:

- Two hour introduction taster sessions
- Multi activity enrichment days/week
- Accredited courses (RYA/British Canoeing certified tuition)

Quality Badge awarded by

How these activities contribute to key aspects of the Physical Education National Curriculum

- Students are challenged intellectually and physically to tackle complex and demanding activities
- Promotes competence, confidence, communication, team work, leadership, building trust, decision making and developing skills to solve problems
- Provides opportunities to continue to take part in water sports outside school
- Edexcel GCSE PE kayaking training and assessment (2 days)
